Dear Friend,

You are a vital part of our community and with your help, people in our community with developmental disabilities such as Autism, Down syndrome and Fragile X can *Will you partner with caring professionals and other generous businesses and individuals to support and uphold their dignity and right to community inclusion?*

Your gala sponsorship is an investment, not in an event, and not even in Magnolia, but in PEOPLE! We are committed to facilitating community inclusion, ensuring safety and accessibility, fostering independence and affirming the human dignity of/for our clients, but we can't do it without you.

You can help hundreds of our community's most vulnerable residents access safe and affordable housing, employment training and support, medical and behavioral health care, recreational activities and habilitation services through Magnolia Community Services, an organization that has worked with this population for over 80 years.

Last year, gala donors gave more than \$225,000 to empower people at Magnolia with the skills and resources like job training and safe and affordable housing so they could live their best lives. Funds from this year's will help fund the construction of three new community group homes, providing safe, accessible housing for 24 individuals.

On behalf of the over 250 people we serve and the families who entrust them to our care, we are grateful for your support. Please contact us at (504) 731-1397 or email dwalker@mcs-nola.org if you have any questions. We appreciate your consideration and look forward to your involvement.

Please submit the form before August 31st to be included on the invitation.
